PROFILE

I'm a Frontend Developer and Backend Developer. I'm passionate about building web applications and learning new technologies. I'm experienced in TypeScript and JavaScript, and in frameworks like React, Next.js, and Node.js. I'm also experienced in databases like MongoDB, PostgreSQL, and MySQL. I'm a quick learner and I'm always looking for new opportunities to learn and grow. I collaborate well and closely with client to create efficient, scalable, and user-friendly solutions that solves real-world problems.
